Tamarisk Square End Table

The Tamarisk Side Table merges old-world charm with everyday practicality. Intricately turned, spool-style legs lend a graceful sense of movement, while a warm, rustic finish accentuates the natural beauty of the wood. A spacious tabletop offers room for a lamp or decorative accents, and a lower shelf provides additional space to store or display favorite items. Perfectly sized to sit beside a sofa or chair, the Tamarisk Side Table's artful blend of sculptural details and functional design makes it a timeless addition to any living space.
