## Tamarisk Open Nightstand

The Tamarisk 32in Nightstand captures the charm of traditional woodworking in a form that's both elegant and functional. Crafted from acacia and finished in a warm Medium Spain Walnut, this piece features intricately turned legs and a shaped lower shelf that lend timeless character. A single framed drawer with antique brass hardware provides convenient storage, while the raised top edge adds a tailored finishing touch. With its refined detailing and versatile scale, this nightstand makes a graceful companion to any transitional bedroom setting
