Jacques Bachelors Chest in Dyed Green Burl

Step into the world of modern design with the Jacques chest. Its clean lines, bold contrasts, and minimalist elements define its contemporary charm, making it a statement piece that seamlessly blends with contemporary interiors. Experience the allure of dyed burl veneer in a mesmerizing emerald finish. The hand-rubbed veneer adds a touch of opulence while highlighting the natural beauty of the wood's texture. This rich and vibrant hue draws attention and sets the tone for an environment of luxury. Brass accents not only enhance the aesthetics but also elevate the chest, giving it an air of elegance that complements its contemporary design.
