Jacques Round End Table

Enrich your surroundings with the Jacques end table. Crafted from mahogany veneers, this side table boasts a rich and captivating appearance that exudes warmth and natural beauty. The medium brown mahogany finish highlights the wood's grain, creating a piece that resonates with classic sophistication. The antique mirrored top and shelf infuse a sense of vintage glamour and feature faux bone inlay, adding a touch of elegance and contrast to the table. The line is repeated down the delicate legs to the tapered feet, adding beautiful contrast to this classic silhouette.
