Terra Rectangular Coffee Table

The Terra Cocktail Table is a masterful example of expert craftsmanship and modern design. Its surface features hand-applied straw marquetry in natural brown tones, creating a captivating, organic pattern highlighted by a high-gloss finish. The base, with its lacquered black interior on the legs, adds a dimensional contrast that enhances the tables sculptural appeal. With its generous size and striking presence, the Terra Cocktail Table is a perfect centerpiece, bringing natural elegance and refined sophistication to the living room.
