Cromwell

Azure Accent Drawer Chest

The Azura Accent Drawer Chest is a perfect blend of artistry and modern elegance. Its front features intricate straw marquetry in vibrant turquoise tones, hand-applied to form a stunning starburst pattern. This exquisite design is framed with sleek satin-finished stainless steel banding, adding a refined touch of contrast to the natural straw texture. The chest's frame and legs are finished in ebonized oak, offering a sophisticated contrast from the turquoise straw marquetry. With hand-cast, hardware and spacious storage, the Sapphire Accent Chest combines bold visual appeal with practical functionality, making it a statement piece for any room or entryway.
