Gaia Drink Cabinet

The Gaia Bar Cabinet blends natural artistry with refined functionality, featuring a striking hand-applied eggshell inlay on its door and drawer fronts that brings a subtle, organic shimmer to its design. Framed in a rich Chocolate Apricot finish on oak, its tall, sculptural silhouette opens to reveal a mirrored interior with a glass display shelf and integrated lighting, perfect for showcasing barware. A lower pull-out drawer provides additional storage, making this cabinet a compact yet luxurious centerpiece that effortlessly balances modern form with timeless craftsmanship
