Ampney Side Chair in Greyed Oak

Crafted from solid oak, the Ampney side chair exudes a natural beauty that only real wood can offer. The washed grey oak finish enhances the wood's texture and grain, creating a warm and welcoming ambiance. Its whimsical silhouette adds a playful touch to its contemporary design. The curved backrest creates a sense of movement and fluidity, making this chair a visually captivating addition to your home. The upholstered seat features a sage performance fabric that adds a refreshing touch and pieces of mind for any dining mishaps.
