Agave Round White Mirror

The Agave Round White Mirror was inspired by the flourishing plant of the same name, whose spiky, leathery fronds curl up from the ground. We've captured this sense of movement in the flowing spikes on this white mirror. "My love of the Agave plant, of which hundreds of varieties flourish in the peninsula, has inspired me for many years," says the mirror's designer Marjorie Skouras. Her passion for the Yucatan Peninsula, the surroundings in which she lives and through which she translates the flora and fauna into dynamic products in her studio, shines in this steel mirror covered in a crisp gesso white finish.
