Happy 80s Red and Yellow Vases

The Happy 80s Red & Yellow Vase Set is a throwback to the decade when bold, vibrant, and eclectic ruled the stylistic spectrum—from interior design to fashion. Made of porcelain, the glazes on the exteriors of these vessels will vary because they are applied while the vases are spinning. This brings the two works of art a textural feel. The insides of the vases are covered in a black glaze and the shapes of the vases reflect the nuances of the decade after which they are named. Sold as a set of 2
