## Happy 80s Blue and Red Vase Set of 2

The Happy 80s Blue & Red Vase Set is a throwback to the decade when bold, vibrant, and eclectic ruled the stylistic spectrum, from interior design to fashion. Made of porcelain, the glazes on the exteriors of these vessels will vary because they are applied while the vases are spinning. This brings the two works of art a textural feel. The insides of the vases are covered in a black glaze, and the nicely fashioned lip surrounding their top-most points echoes the shapes of the bulges below them.
