Malibay Accent Pedestal

Wrapped in natural rope, the Malibay Accent Table/Pedestal is made of wood and topped with a disc of glass. The artistry required to create such a cohesive flow of rope on a piece such as this takes our artisans a great deal of time to master. The rope accent table or pedestal has an implied base when the direction of the rope goes from horizontal to vertical. The Malibay is also available as a pedestal, and we offer two heights of the Macati Pedestal for round versions of this design.
