Kallista Blue Credenza

The Kallista Blue Credenza has a dark sapphire blue finish that enlivens the sycamore veneers cladding its doors. These are set into a caviar black credenza sitting atop a metal base in an antique brass finish, which matches the tone of tailored door pulls. The way the wood veneers are applied brings depth, texture, and movement to this navy-blue credenza that is dressy enough for the most sophisticated home office and the most refined business settings. Aimee Kurzner designed this beautiful credenza.
