Verona Chanterelle Five Drawer Chest

The Verona Chanterelle Five-Drawer Chest is warmly handsome covered in brown lacquered linen with metal detailing in a champagne finish. The stretchers on this brown chest create added interest to enhance its flair. The beautifully detailed drawer pulls, which are wrapped in matching material in the middle and left bare on each end, grace each drawer with their metallic sheen. This is a sophisticated touch, as are the squared edges of the hardware that match the straight-edges on the stretchers. Aimee Kurzner designed the chic chest.
