Roselle Stone Inlay Accent Table

The Roselle Stone Inlay Accent Table has a Carrara marble top that features an exquisite floral inlay in a lively mix of light green, yellow, rosy pink, and dark green marble. Supporting this elegant surface is a slender stem in a brass finish that complements the thin rings of brass inlay encircling the green marble base, which is hand-chiseled to create a striking striated pattern. This design was produced in a limited edition of ten.
