Rina Teal Drinks Table

The Rina Teal Drinks Table has a top with a swirling surface created when pearlescent powder was mixed with composite to create the organic patterning. The round disc is inset into the metal frame like a gem. Four legs made of stainless steel in a polished nickel finish are connected by an ex-shaped stretcher. The silver and teal drinks table stands just over 23 inches tall and is 11 inches in diameter, which makes it ideal for rooms where space is limited.
