Basket White Swing Arm Wall Sconce

Woven natural arurog reeds create the elemental shade of the Basket White Swing-Arm Wall Sconce. The wrought iron frame and wall plate in a gesso white finish are simple in their design to make this rattan wall sconce perfect for casually chic interiors. Though the bleached white shade reads as seamless to the design, affixed as it is to a smaller flare perfectly in sync with its shape, there is a warmth to it due to the barely discernible natural material from which it is made. This forms a subtle contrast to the crisp metal.
