Vichy Wall Sconce

The Vichy Wall Sconce was created by Suzanne Duin, who founded the Houston shop and design studio Maison Maison, and is known for a keen eye in sourcing authentic French antiques and home accessories from around the globe. Each piece in her line of woven light fixtures is handmade by artisans in Southeast Asia; the Vichy an example in abaca rope and wrought iron in a mix of contemporary gold leaf and contemporary gold finishes. The finely shaped braided edges reflect Parisian style, and the overall composition brings both texture and French flair.
