Adala Brass Wall Sconce

The Adala Brass Wall Sconce is crafted from metal with a warm brushed brass finish. Its timeless silhouette features two gracefully curved arms, each wrapped in natural rope for added texture and a coastal-inspired touch. Atop each arm sits a classic off-white linen shade, diffusing light softly for a warm, inviting glow. This sconce adds sophisticated character to hallways, living spaces, or bedrooms, perfectly complementing both classic and transitional interiors
