Cromwell

Barbary Outdoor Wall Sconce

The Barbary Outdoor Wall Sconce has an inverted bowlshaped shade made of all-weather wicker that can easily
withstand the elements, as will the metal backplate and
gooseneck arm in a black powder-coated finish. The uniform
weave on the tan wall sconce is painstakingly achieved by hand.
Another sophisticated detail is how the milk-glass globe on the
one-light sconce glows through the circular cut out. The
Barbary is wet location-tested so it is ideal for illuminating
patios and porches
