Barbary Outdoor Wall Sconce

The Barbary Outdoor Wall Sconce has an inverted bowl-shaped shade made of all-weather wicker that can easily withstand the elements, as will the metal backplate and gooseneck arm in a black powder-coated finish. The uniform weave on the tan wall sconce is painstakingly achieved by hand. Another sophisticated detail is how the milk-glass globe on the one-light sconce glows through the circular cut out. The Barbary is wet location-tested so it is ideal for illuminating patios and porches
