Jessamine Blue Table Lamp

The Jessamine Blue Table Lamp has a surface studded with beautifully fashioned flowers. Rather than apply one type of bloom, a number of floral shapes are intermingled to give the pale blue lamp a charm that is heightened by the top edge that is slightly rounded as it approaches the shade. The handmade character of the piece comes from the fact that each flower is created individually and applied, one-by-one, by hand by community of talented women artisans who live at the border of Burma and Thailand
