Olive Green Table Lamp

The color of the Olive Green Table Lamp brings warmth to the bottle-shaped body given it is made of transparent glass. The metal rod that runs through it to connect the hardware to the base is in an antique brass finish, as is the understated square base with a coordinating lip that cradles the glass form. This is a tall lamp at 33.5 inches from the base to the antique brass finial that fastens a pale empire shade to it
