Garson Silver Ottoman in Fresh Files Linen

Chic, comfortable, and timeless, the Garson Silver Ottoman is an updated take on the classic wingback design. The frame, made of mahogany with a silver finish, has a tailored feel as it meets the piping in the same fresh file linen as the upholstery fabric. The silvered material has a luminous sheen to it and is striated with gold to bring it a subtle texture. The pared-down lines of the ottoman's profile are fitting for many interior design styles.
