Cromwell

Cloister Large Bronze Floor Lamp

The angular arc of the stem on the Cloister Bronze Large Floor Lamp, the way the shade dangles, and the minimal shape of its base are design details that make it an exemplar of contemporary design. The clean way the stem is fastened to the base and the pared-down lines of the white linen shade enhance the black floor lamp's modernity. The acrylic diffuser fastened by the petite button finial is a clever aspect to this design.
