Hightider Glass Oval Chandelier

The perfect combination of natural and industrial materials, the Hightider Glass Oval Chandelier has recycled glass shades and wrought iron hardware in a French black finish. The abaca rope that is wrapped around the ring of the nautical pendant brings it a hint of texture. Clarence Mallari's original inspiration came from the small bells used by people selling ice cream in the Philippines. The aircraft cable on which the rope chandelier suspends keeps the design light.
