Maidenhair Cream Semi Flush Mount

Inspired by the Ginkgo leaf, Clarence Mallari designed the Maidenhair Cream Semi-Flush Mount that captivates with its flowing pattern of fan-shaped leaves. This is a lovely design when viewed from the bottom, as it becomes clear how much depth the beige semi-flush ceiling light has. The antique pearl finish on the shade glows when the lights are switched on and the telescoping leaves create patterns on surrounding surfaces.

This nature-inspired chandelier is perfect for a biophilic project.
