Annabelle Small Pendant

Suzanne Duin, who founded the Houston shop and design studio Maison Maison, conceived the Annabelle Small Pendant.

Known for a keen eye in sourcing authentic French antiques and home accessories from around the globe, Suzanne created a line of woven light fixtures that are handmade by artisans in South Asia. The shade, made of water hyacinth, will bring both texture and French flair to a space, the braided edges fine treatments that reflect Parisian style. Infuse a breakfast nook with the lore of the city's famous cafés with this woven pendant, which is au courant in a mix of natural and mole black finishes.
