## Countervail Rectangular Chandelier

Clarence Mallari designed the Countervail Rectangular
Chandelier with its panes of thick cast glass. The textural
surfaces were the inspiration for this piece because the mottled
nature of the glass enhances the glow of the chandelier. Each
piece of the material that is fastened to a metal frame in an
antique brass finish is unique. Mallari designed the panes to be
fastened in place with sophisticated screws, which makes each
piece removable
