Cromwell

Leaflace Semi Flush Mount

As its name suggests, the Leaflace Semi-Flush Mount has lacy leaves that flow up from a central cog to surround the light-source in an artful way. Made of thin ribs of wrought iron in a contemporary gold leaf finish, the metal is painstakingly welded together to form each shape. The contemporary gold finish on the hardware and frame enlivens the gold semi-flush mount to make it a luminous composition even when the lights are switched off
