Polyhedron Medium Pendant

The name of the Polyhedron Medium Pendant pays homage to its triangular panes of white glass pieced together between antique brass delineations. Though the glass looks uniform when the illumination warms it, there are subtle drifts of milkier white in some spots that others, which adds a bit of texture to this geometric design

Polyhedron Medium Pendant

A2 9000-1232

Dimensions

520 X 520 X 585MM HIGH

Status

NOT IN STOCK
