Bradshaw Lantern

The Bradshaw Pendant has an elegant classical profile for which its designer, Bunny Williams, is renowned. Made of wrought iron in a warm brass finish, the columnar shape has sparkling crystal baguettes in the middle and frosted glass discs that flutter up and extend down to create flourishes on the top and bottom, the uppermost one curved like a coronet. The milky glass pieces, which are made specifically for this fixture individually, have edges that are polished for a sophisticated feel. Each one and each of the crystals are attached by hand. Williams was inspired by an antique with an Art Deco feel when she envisioned this luminous four-light piece
