# Cromwell

## Nottaway Grande Champagne Chandelier

The arms of the Nottaway Grande Champagne Chandelier stretch gracefully from petite cogs that rest at three points on its long, thin stem, the bottom one ornamented with a dainty ring. Though the silver chandelier has minimalist lines, there is a sweeping fluidity to its profile that makes it a natural choice for large tall foyers or any room with high ceilings. The finish on the wrought iron frame brings textural interest to this dimmable 18-light fixture.
