# Cromwell

## Bly Outdoor Pendant

The crisscross pattern on the shade of the Bly Outdoor Pendant is made of all-weather wicker that can easily withstand the elements, as will the metal hardware in a black powder-coated finish. The intricacy achieved on the woven fixture makes the large-scale pattern very artisanal for an outdoor pendant. The single-light fixture is wet location-tested, which makes it ideal for lighting patios and porches, and the sophistication of the design will bring greater beauty to a large outdoor space when hung in multiples.

### Bly Outdoor Pendant
A2 9500-0014
