Seashore N Dura Grey Ottoman with White Sling

The Seashore Ottoman N-Dura™ is a celebration of both form and function, blending timeless style with resilient materials. Crafted with N-Dura™ Wood, renowned for its luxurious look akin to natural wood and outstanding durability, it's designed to withstand diverse climates while maintaining its elegant appearance. The ottoman also features the Batyline™ Outdoor Performance Sling, celebrated for its strength and quick-drying capabilities, making it ideal for use by the water or in any outdoor oasis. This ottoman seamlessly marries robust construction with an aesthetic of relaxed sophistication.
