Avondale Oak Counter Stool

Lovers of minimalism will be drawn to the Avondale Counter Stool, which is made of aluminium in a warm oak finish. The mid-century modern design that inspired it has been pared down to make this a contemporary outdoor counter stool. The slatted back brings an uptick in style for added sophistication, and the powder-coated finish, which is ten times thicker than wet-coat paint, means the patio counter stool will stand up to the elements during each changing season.
