Harris Black Oval Dining Table

Inspired by the relaxed nature of outdoor living, the Harris Dining Table features a distinctive oval shaped Superstone top with a sturdy woven N-dura™ resin wicker that is durable and exceptionally weather resistant, providing year-round beauty and long-lasting enjoyment. Please note that Superstone is a natural product and will weather over time. We recommend using our natural stone sealer to assist in making the product water, dirt, and moisture repellent. Sealing will also help to prevent stains and changes in colour due to exposure to sunlight.
