Portside Slate N Dura Rectangular Dining Table

Discover the Portside N-Dura™ Rectangular Dining Table, an outdoor furnishing that offers style and lasting quality without the upkeep of natural teak. Suitable for any climate, it includes UV protection and water resistance to minimize fading and weather damage. With grain-like textures and finishes in Natural and Slate Grey, it mirrors real teak, enhancing outdoor areas. The slatted top design combines efficient drainage with a functional surface, and the maintenance-free N-Dura™ Wood cleans easily with just soap and water for hassle-free use throughout the year.
