Club Croquet Teak Side Chair

The Croquet Dining Side Chair exudes timeless charm and resilient construction, ideal for year-round enjoyment. Crafted with Indonesian teak, known for its durability and natural weather resistance, it's built to last with classic mortise-andtenon joinery. The back of the chair is constructed with sturdy teak slats, offering robust support. Flat armrests ensure comfort, while the custom-fitted seat cushion, in Linen Dove, provides an extra touch of luxury, making this chair a sophisticated and inviting choice for any outdoor dining setting.
