Club Woven Inside Round Corner Chair

The Club Woven Inside Round Corner Chair, a part of Summer Classics' Club Woven Sectional Sofa group, is constructed from N-dura™ resin wicker that's exceptionally weather resistant—not to mention incredibly practical and stylish. Club Woven modular pieces can be configured many ways. Use four Inside Round Corner Chairs to make a half-round sofa. Use two for a corner chair alternative in the outdoor sectional sofa. Constructed from durable N-dura™ resin wicker with a sturdy wrought aluminium frame, these furnishings will last for years of enjoyment.
