LaForge Bench in Antique Gold

Instead of lending support at the four corners of the bench, LaForge's tapered legs have been repositioned to the middle of the bench's cushion sides. How beautiful! LaForge Bench ships with a muslin cushion which is easily removable for the customer to cover with the fabric of their choice. This item is covered in natural muslin. It is a temporary covering intended to hold the upholstery components in place until it can be replaced by appropriate upholstery fabric. Muslin is imperfect by nature and is not intended
