Bronze Climbing Man

Chic-meets-industrial in this thought-provoking take on Wall

Decor. Crafted in solid cast iron, the climbing man is a reminder of everyday triumphs and represents the rewards of working hard to get to that next level-be it in life, work, or passion. This piece goes beyond the confines of design, and seeks to inspire the viewer, acting as a visual reminder of the challenges life presents and the effort that it takes to overcome them. A signature Global Views piece, the Climbing Man has long been a way for our customers to bring something truly meaningful into their home.
