Baxter White Bar Cabinet

The Ashley Childer's Baxter Bar Cabinet is form and function at its finest. A solid wood case with expertly matched veneers, our signature white stained finish, and solid satin brass hardware make this unique design a head-turner from first glance. Open up the doors to reveal two adjustable glass shelves, an eglomise mirrored back, three-way touch light, two storage drawers, and a generous pull-out tray for mixing the perfect cocktail at a moment's notice.
