Brio Rectangular Dining Table

Tapered sled bases and a thick chamfered top edge give the Brio Rectangular Table its stately architectural form as a centrepiece for a range of Cohesion chair designs. Mahogany solids and veneers in a straight grain pattern on the top with hand wire brush graining in the Grigio finish, a warm Gray tone. The 88-inch rectangular table extends to 124 inches with the two 18-inch leaves, comfortably seating twelve, supported by open rectangular block legs. Available in all Cohesion finishes
