

Cromwell

Lana Sofa

Contemporary, casual styling, Lana is perhaps our plushiest offering, boasting two thick Ultra Down seat cushions and captured by 11-inch arms that turn a perfect radius to the inside. The architectural plinth detail lends sophistication to the overall presentation while allowing the frame to appear floating depending on the angle of view. The two blend down back cushions and two 20-inch lux down throw pillows provide exceptional comfort. The plinth base is available in your choice of upholstery finishes.
