Abaco Bistro Table

The High/Low Bistro table offers a soft contemporary design with a hand-finished aluminium frame emulates the look of English walnut. The 42-inch-high bistro table pairs perfectly with the Abaco bar stools. At the 36-inch counter height, the lower sections of the legs on the bistro table are removable, accommodating the Abaco counter stools. Bistro dining offers a more casual approach to entertaining since the table height is equally comfortable for those sitting or standing.
