## Seabrook Bistro Table

The high/low bistro table offers a transitional design featuring a soft oyster-white finish on an aluminium frame. The bistro table at the 42-inch bar height pairs perfectly with swivel bar stools sold separately. To change to the 36-inch counter height, the lower sections of the legs on the bistro table are removable. Bistro dining offers a more casual approach to entertaining since the table height is equally comfortable for those sitting or standing.
