Seabrook Rectangular Dining Table

The 88-inch rectangular dining table offers a transitional design featuring a soft oyster-white finish on an aluminium frame. It comfortably seats up to eight guests. The table has an access port in the centre for an umbrella, with a Tommy Bahama monogrammed insert when an umbrella is not in use.

Shown here are the stationary arm and side chairs which feature a beautiful interwoven pattern of all-weather wicker on the backs. Seating and cushions are sold separately.
