Blue and white Avery Wing Chair

The Avery wing chair is a beautiful interpretation of a classic design. Nail head trim defines the linear pattern on the arms, around the base, and charting a graceful curve up the wings. There are 775 individual nails in this bench made piece, each applied by hand. Note the beautiful match of the fabrics on the inside back of the chair. This chair is available in fabric or leather. Shown here in 8004-31
