

Cromwell

Sunset Key Gossner Sofa

The Gossner sofa offers a striking contemporary look, softened by radius corners on each side of the piece. The bench seat emphasizes the linear demeanour of design, which is standard with two 18-inch throw pillows. The recessed wooden plinth base is available in any of 40 custom finishes. Please note that non-railroaded fabrics will have seaming on the seat cushion.

This design is available exclusively in fabric.
